FISCAL ANALYSIS

ASSUMPTION

Officials from the **Attorney General's Office**, **Department of Agriculture**, **Department of Economic Development - Director's Office**, **Department of Economic Development - Public Service Commission** and **Office of the Public Council**, **Department of Elementary and Secondary Education**, **Department of Higher Education**, **Department of Natural Resources**, **Department of Labor and Industrial Relations**, **Department of Public Safety (Office of the Director, Capitol Police, Alcohol & Tobacco Control, Fire Safety, Gaming Commission, Missouri Highway Patrol, Missouri National Guard, State Emergency Management Agency)**, **Office of the Governor, Joint Committee on Administrative Rules, Joint Committee on Public Employee Retirement, Missouri Lottery Commission, Missouri Consolidated Health Care Plan, Missouri Department of Conservation, Missouri Ethics Commission, Office of the Lieutenant Governor, Department of Transportation, Office of Prosecution Services, Missouri State Employee's Retirement System, MoDOT & Patrol Employees' Retirement System, Office of Administration (Administrative Hearing Commission), Office of the State Courts Administrator, Office of the State Auditor, Missouri Senate, Office of the Secretary of State, Office of the State Public Defender, Missouri House of Representatives, Office of the State Treasurer and the State Tax Commission** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **Department of Mental Health**, **Department of Public Safety - Missouri Veterans Commission**, **Department of Corrections**, **Office of Administration - Office of Administration - Budget and Planning**, **Department of Insurance**, **Financial Institutions and Professional Registration**, **Department of Revenue**, **Department of Social Services** and **Department of Economic Development** defer to Office of Administration - Facilities Management Design and Construction for fiscal impact.

Officials from the **Attorney General's Office** assume any potential cost arising from this proposal can be absorbed with existing resources. AGO may seek additional appropriations if the proposal results in a significant increase in cases.

Officials from the **Office of Administration - Facilities Management Design and Construction (FMDC)** assumes the probability of purchasing property would be one per year. For one purchase, the advertising cost could vary from \$7,792 to \$43,274 depending on the advertising market area. The requirements in section 13.005 would create the need for additional funds to cover the cost for advertising. FMDC assumes these costs would be \$36,062 in FY 18, \$44,356 in FY 19, and \$45,465 in FY 20.

Oversight assumes FMDC is provided with core funding to handle a certain amount of activity each year. Oversight assumes FMDC could absorb the costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, FMDC could request funding through the appropriation process.
