FISCAL ANALYSIS

ASSUMPTION

Officials at the **Office of Administration - Budget and Planning, Department of Corrections, Department of Elementary and Secondary Education, Joint Committee on Public Employee Retirement, Department of Insurance, Financial Institutions and Professional Registration, Department of Mental Health, Department of Public Safety - Missouri Veteran's Commission, Department of Public Safety - Director's Office, Department of Revenue, and Department of Social Services** each defer to Office of Administration - Personnel for a fiscal impact.

Officials at the **Office of Administration - Personnel** assume this proposal will not have a fiscal impact on their organization.

Officials at the **Attorney General's Office (AGO)** assume any potential costs arising from this proposal can be absorbed with existing resources. AGO may seek additional appropriations if the proposal results in significant increase in cases.

Officials at the **State Auditor's Office, Department of Agriculture, Office of Administration - Administrative Hearing Commission, Department of Conservation, Missouri Ethics Commission, Governor's Office, Department of Higher Education, Department of Health and Senior Services, Joint Committee on Administrative Rules, Department of Labor and Industrial Relations, Missouri Lottery, Lieutenant Governor's Office, State Highway Employees Retirement System, Missouri Consolidated Health Care Plan, Department of Natural Resources, Office of State Courts Administrator, Missouri State Employees' Retirement System, Office of Prosecution Services, Department of Public Safety - Gaming Commission, Department of Public Safety - Capitol Police, Department of Public Safety - Alcohol and Tobacco Control, Department of Public Safety - Fire Safety Division, Department of Public Safety - Highway Patrol, State Public Defender's Office, Missouri Senate, State Tax Commission, State Treasurer's Office, and Department of Transportation** each assume this proposal would not have a fiscal impact on their respective organizations.

Officials at the cities of **Columbia** and **Kansas City** each assume this proposal will not have a fiscal impact on their respective organizations.

Officials at the **State Technical College of Missouri, Missouri State University, Northwest Missouri State University, Truman State University, University of Central Missouri, and University of Missouri** each assume this proposal would not have a fiscal impact on their respective organizations.

ASSUMPTION (continued)

Officials at the school district of **Concordia R-II** assume this proposal could have a fiscal impact but varies with the amount of leave days an employee has and the amount the district has to pay for a substitute.

Generally when a teacher gets called for active duty they are paid for 15 days of military leave and use leave for additional days before they are docked and the number of days and daily pay rate will vary. The last National Guard staff member was called for active duty which cost the district 23.5 days of substitute teacher pay (in addition to the teacher's regular salary) which cost the district \$3,269.79 benefits included.

Oversight will not show a fiscal impact for school districts because there is not a uniform method to estimate cost because number of days affected by military leave and pay rates per individuals affected are not consistent throughout all school districts. Oversight also notes that members of the Missouri National Guard already have re-employment rights.
