FISCAL NOTE

L.R. No.: 0566-01

Type: Original

Bill No.: SB 57

Date: December 19, 2016

Subject: Business and Commerce; Energy; Environmental Protection; Public Service Commission; Utilities

Bill Summary: This proposal modifies the definition of “customer-generator” in the Net Metering and Easy Connection Act.

State Fiscal Highlights

- No direct fiscal impact on the state is anticipated.

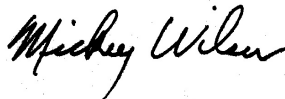

Local Fiscal Highlights

- No direct fiscal impact on local political subdivisions is anticipated.

Fiscal Analysis

Officials from the **Department of Economic Development - Division of Energy, Public Service Commission** and **Office of the Public Counsel** and the **Metropolitan St. Louis Sewer District** each assume the current proposal would not fiscally impact their respective organizations.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
