FISCAL ANALYSIS

ASSUMPTION

§162.401 Surety Bonds

Officials at the **Department of Elementary and Secondary Education (DESE)** assume no fiscal impact on the Department. DESE defers to the school districts for any fiscal impact.

In response to the previous version, officials at the **Kearney R-I School District** assumed minimal impact.

In response to the previous version, officials at the **Everton, Forsyth R-III, Kansas City, Kirksville R-III** and the **West Plains** school districts each assumed there was no fiscal impact from this proposal.

Oversight assumes this proposal would require only one surety for a treasurer instead of the current two sureties. Oversight assumes this would not fiscally impact the state or school districts in a material amount.

§162.492 Kansas City Public Schools School Board Elections

Officials at the **Kansas City Board of Election Commissioners (KC BEC)** assume the cost of the April 2019 election is estimated to be \$200,000.

Officials at the **Kansas City Public Schools (KCPS)** assume this would not create any additional unfunded mandates or have a negative impact on the district. KCPS provided costs for the KCPS school board elections held from 2011-2016.

Year	Election	Districts	Cost
2011	Nov Special	Sub District 6	\$43,600
2012	April Regular	At Large; Sub Districts 1, 2, 3 & 5	\$219,131
2012	Nov Special	Sub District 2	\$77,379
2014	April Regular	2 At Large; Sub Districts 4 & 6	\$92,499
2015	Nov Special	Sub District 2	\$62,997
2016	April Regular	At Large; Sub District 1, 3,& 5	\$52,896

ASSUMPTION (continued)

Oversight notes this proposal will stagger the terms of the Kansas City Public Schools Board so half the board is elected at a time (every two years). Changing the length of the term of will change the number of elections that Kansas City Public Schools must pay for. However, the price a political subdivision pays for an election is determined by the number of political subdivisions holding an election at the same time as well as the number of candidates on the ballot.

Oversight is unable to determine if the Kansas City Public Schools will experience any savings because of the staggered terms of office. Oversight will not show an impact from this provision.

<u>FISCAL IMPACT - State Government</u>	FY 2018 (10 Mo.)	FY 2019	FY 2020
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2018 (10 Mo.)	FY 2019	FY 2020
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

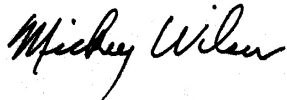

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
