FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration - Division of Budget and Planning (BAP)** assume this proposal would clarify if voters approve an increase to the tax rate ceiling prior to the expiration of a previously approved temporary levy increase, the new tax rate ceiling would only be in effect until the temporary levy increase expires.

BAP officials noted that voter approval eliminates any potential impact to the required constitutional revenue limit calculation.

Oversight assumes this proposal would merely clarify existing statutory requirements and would therefore have no fiscal impact to the state or to local governments.

According to officials from the **Office of the Secretary of State (SOS)**, many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Officials from the **Joint Committee on Administrative Rules** state this legislation is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Department of Revenue**, the **State Tax Commission**, the **Department of Elementary and Secondary Education**, the **Department of Public Safety - Missouri Gaming Commission**, the **West Plains School District**, **St. Louis County**, the **Jackson County Election Board**, the **Platte County Board of Elections**, and the **St. Louis County Directors of Elections** assume this proposal would have no fiscal impact on their organizations.

Oversight has requested additional information from the Department of Elementary and Secondary Education regarding this proposal.
