## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Public Safety - Missouri Highway Patrol**, the **Department of Corrections**, the **Office of the State Courts Administrator**, and the **Office of Prosecution Services** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Office of State Public Defender (SPD)** state while the number of new cases received due to removing the statute of limitations on abuse or neglect of a child may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases where the right to counsel attaches.

**Oversight** assumes the SPD can absorb the additional caseload that may result from this proposal.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
