FISCAL ANALYSIS

ASSUMPTION

Officials at the **Missouri Department of Transportation** and the **Department of Revenue** each assume no fiscal impact to their respective agencies from this proposal.

In response to similar legislation from 2017, SCS for HB 87, officials at **St. Francois County** stated this proposal would save the county twenty five percent of the taxes collected in the city which will allow the county to maintain the county roads. County officials estimated the savings from the City of Farmington would be \$130,000 for 2016.

Oversight will assume for fiscal note purposes, this proposal would have no effect on local governments as the given summary of the bill is correcting the description of St. Francois County in existing statutes.
