Officials from the **Department of Labor and Industrial Relations, Office of Administration - General Services, Department of Transportation, Missouri Department of Conservation, Department of Insurance, Financial Institutions and Professional Registration, Department of Natural Resources, and Department of Health and Senior Services** assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that increasing the time frame for filing a workers compensation claim based on any injury caused by exposure to radiological materials or equipment from two years to thirty years could possibly increase the number of claims. Oversight has no information regarding the potential number additional claims because of this change.
