FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety (Director's Office, Missouri Highway Patrol, State Emergency Management Agency, and Missouri National Guard)** and the **Columbia Police Department** each assume the proposal would not fiscally impact their respective agencies.

In response to a similar proposal from 2017 (HB 645), officials from the **Springfield Police Department** stated there could be a possible fiscal impact to their department and the City of Springfield if they choose to pay the retired officers, or the retired officer suffers an injury or line-of-duty death during the temporary employment.

Oversight assumes this proposal is permissive to local political subdivisions and their police departments or sheriff's departments regarding the temporary employment of retired peace officers. Therefore, Oversight will not reflect a potential impact from this proposal.

Officials from the Greene County Sheriff's Office, Platte County Sheriff's Office, St. Charles Police Department, and the St. Louis Metropolitan Police Department did not respond to **Oversight's** request for fiscal impact.
