## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Missouri Ethics Commission (MEC)** assume Section 105.460 would prohibit teachers, employees of the school district or the superintendent from utilizing public funds to influence the executive branch of government, elected officials, appointed officials, judicial officials or other government entities or attempt to influence matters before a legislative committee.

This change would require the MEC to do the following:

- Provide information to public officials and the public as specified in the Commission duties in Section 105.491, 105.955.14 (4), RSMo, about the new statutory requirements; examples include providing education, developing informational materials, telephone and email assistance.
- Provide oversight in adherence to the specific gift prohibition, including reviewing lobbyist reports as established in Section 105.959, RSMo. This oversight, it is assumed, would be primarily from receiving written complaints, as established in Section 105.955.14, RSMo, through conducting investigations and the related legal actions.

At this time, the proposal does not have a fiscal impact on the MEC. It is assumed this prohibition would result in a minimal number of complaints; however, if this assumption is incorrect the Commission would require additional staff resources.

Officials from the **Department of Elementary and Secondary Education** and **Office of the Secretary of State** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **University of Missouri, Missouri State University, Missouri Western State University, State Technical College of Missouri, University of Central Missouri, Macon County R-IV School District, Pettis County R-V, Summersville R2 School District, West Plains Schools,** and **Kirksville R-III School District** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the following **colleges and universities**: Crowder, East Central, Harris-Stowe, Jefferson College, Kansas City Metropolitan Community College, Lincoln University, Moberly Area Community College, Missouri Southern State University, Northwest Missouri State University, Southeast Missouri State University, State Fair Community College, St. Charles Community College, St. Louis Community College, Three Rivers Community College, and Truman State University did not respond to **Oversight's** request for a statement of fiscal impact.
