## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Higher Education** assume the proposal will have no fiscal impact on their organization.

Officials at the **University of Missouri System** assume this is not expected to exceed \$100,000 in cost.

Officials from **Missouri State University** assume there is a positive fiscal impact of an undetermined amount to the university.

Officials from the **University of Central Missouri** assume this proposal would have a negative impact on the university.

Officials from the **State Technical College of Missouri** assume this proposal should have no impact.

#### §163.191

**Oversight** assumes the proposal allows community colleges to offer baccalaureate degrees when authorized by the coordinating board for higher education under certain circumstances.

#### §172.280

**Oversight** assumes this proposal designates the University of Missouri as the state's only public research university and the exclusive grantor of research doctorates.

#### §174.160

**Oversight** assumes this proposal allows each state college and teachers college to offer additional degrees when authorized by the coordinating board for higher education under certain circumstances.

#### §174.225

**Oversight** assumes this proposal specifies that no state college or university shall seek the land grant designation held by Lincoln University and the University of Missouri or the research designation held by the University of Missouri. Oversight assumes this proposal removes the restriction that Missouri State University not offer or duplicate the professional programs at the University of Missouri.

ASSUMPTION (continued)

§174.500

**Oversight** assumes this proposal allows Missouri State University - West Plains Campus to offer baccalaureate degrees if approved by the coordinating board of higher education.

§178.636

**Oversight** assumes this proposal allows the State Technical College of Missouri to offer baccalaureate degrees when authorized by the coordinating board of higher education under certain circumstances.

§174.231 and §174.231

**Oversight** assumes this proposal removes specific language granting Missouri Western State University and Missouri Southern State University the ability to offer a master of accountancy degree.

Bill as a whole

**Oversight** assumes this proposal grants the coordinating board of higher education the power to approve, not approve, or provisionally approve new degree programs and to authorize a degree program outside an institution's board-approved mission if certain requirements are met.

**Oversight** assumes the fiscal impact from this proposal would be based on changes made by the coordinating board of higher education in regards to the approval, denial or provisional approval of certain degree programs. Oversight assumes this proposal is permissive and will not show a fiscal impact.

Officials at the following colleges: Crowder, East Central Community College, Harris-Stowe, Jefferson College, Lincoln University, Metropolitan Community College, Moberly Area Community College, Missouri Southern State University, Missouri Western State University, Northwest Missouri State University, Southeast Missouri State University, State Fair Community College, St. Charles Community College, St. Louis Community College, Three Rivers Community College and Truman State University did not respond to **Oversight's** request for fiscal impact.
