## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Missouri Senate** assume the assume the proposal will have no fiscal impact on their organization.

Officials from the **Missouri House of Representatives** assume any expenses incurred by House members serving on a joint committee will be covered by the Senate's Joint Contingent Expenses appropriation.

Officials from the **Branson Police Department** do not anticipate a negative fiscal impact as a result of this proposal.

Officials from the **Joplin Police Department** assume the proposal will have no fiscal impact on their organization.

**Oversight** notes that it is difficult to determine if General Assembly will require an additional FTE(s) for the Joint Committee on Disaster Preparedness and Awareness or if the Department of Public Safety will be able to administer the new joint committee with existing resources. Oversight also notes there are several other Joint Committees such as: Joint Committee on Missouri Division of Workers' Compensation, Joint Committee on Education, and Joint Committee on Public Employee Retirement, etc. Some have FTE appropriated to them, and some do not. This proposal, in §21.851.5 states the joint committee may employ such personnel as it deems necessary. Therefore, Oversight will reflect an impact of \$0 (additional FTE not needed) to a cost of less than \$100,000 (assuming only 1 additional FTE is needed). At December 31, 2017, the balance of the Senate Revolving Fund (0535) was \$38,555. Therefore, Oversight will assume the appropriation (if any) for the new committee will be from the General Revenue Fund.

Officials from the **Office of Administration-General Services, Office of the State Treasurer, Department of Revenue-Taxation, Department of Public Safety-Division of Fire Safety, and Department of Agriculture** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **State Technical College of Missouri, Missouri State University, and Missouri Western State University** each assume the proposal will have no fiscal impact on their respective organizations.

In response to a previous version, officials from the **Department of Public Safety-Missouri**
