FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Revenue (DOR)** assume this proposed legislation requires the Department of Revenue to feature a map of all the special taxing districts on its website. ITSD costs would consist of \$10,000 (\$75 x 133 hours) to complete and create the proposed jurisdictional map and continuing maintenance. Creating the functionality of the product could potentially take a few months to develop depending on complexity of the requests.

FISCAL DESCRIPTION

This bill directs the Department of Revenue to create an online mapping feature whereby the taxing information of political subdivisions and special taxing districts will be made readily available. The department may contract with a third party to maintain the mapping feature. The department shall implement the mapping feature by July 1, 2019.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
