FISCAL ANALYSIS

ASSUMPTION

Officials at the **Missouri Department of Transportation**, the **Department of Agriculture**, the **Department of Public Safety’s Office of the Director**, the **Office of Prosecution Services** and the **State Tax Commission** each assume no fiscal impact to their respective agencies from this proposal.

Officials at the **Platte County Board of Election Commissioners** and **Chariton County** each assume no fiscal impact to their respective entities from this proposal.

In response to similar legislation from this year, SB 657, officials at **Linn County** assumed a positive impact from this proposal. Linn County could not ascertain an amount for this proposal but this proposal would make it easier to collect the brush removal expense.

In response to similar legislation from this year, SB 657, officials at **Daviess County** assumed no fiscal impact from this proposal.

Oversight assumes this proposal would allow for easier collection of a special tax because expenses charged against a tract of land by the county will be due on the landowner’s real and personal property tax assessments. Oversight also assumes this proposal would have no local fiscal impact without action by the governing body and approval by the majority of voters. Therefore, Oversight will show no direct fiscal impact for this proposal.

Officials from the following **counties**: Nodaway, Dekalb, Carroll, Gentry, Harrison, Caldwell, Mercer, Grundy, Livingston and Putnam did not respond to **Oversight’s** request for fiscal impact.
