**FISCAL ANALYSIS**

**ASSUMPTION**

Officials at the **Missouri Department of Transportation**, the **Department of Agriculture**, the **Department of Public Safety’s Office of the Director**, the **Office of Prosecution Services** and the **State Tax Commission** each assume no fiscal impact to their respective agencies from this proposal.

Officials at the **Platte County Board of Election Commissioners** and **Chariton County** each assumed no fiscal impact to their respective entities from this proposal.

Officials at **Linn County** assume a positive impact from this proposal. Linn County could not ascertain an amount for this proposal but this proposal would make it easier to collect the brush removal expense.

In response to similar legislation from this year, SB 657, officials at **Daviess County** assumed no fiscal impact from this proposal.

**Oversight** assumes this proposal would allow for easier collection of a special tax because expenses charged against a tract of land by the county will be due on the landowner’s real and personal property tax assessments. Oversight also assumes this proposal would have no local fiscal impact without action by the governing body and approval by the majority of voters. Therefore, Oversight will show no direct fiscal impact for this proposal.

Officials from the following **counties**: Nodaway, Dekalb, Carroll, Gentry, Harrison, Caldwell, Mercer, Grundy, Livingston and Putnam did not respond to **Oversight’s** request for fiscal impact.

<b><u>FISCAL IMPACT - State Government</u></b>	FY 2019 (10 Mo.)	FY 2020	FY 2021

<b><u>FISCAL IMPACT - Local Government</u></b>	FY 2019 (10 Mo.)	FY 2020	FY 2021

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
