## FISCAL ANALYSIS

### ASSUMPTION

**Oversight** notes this proposal, in Section 143.1015 removes the sunset on the Foster Care and Adoptive Parent Recruitment and Retention Fund (0979). According to the Fund Activity reports issued by the Office of the State Treasurer, the fund had the following activity over the past three fiscal years:

Fiscal Year	Receipts/Transfers In	Disbursements/ Transfers Out	Ending Balance
FY 2015	\$3,613	(\$29)	\$7,578
FY 2016	\$3,368	\$0	\$10,946
FY 2017	\$3,922	(\$49)	\$14,455

**Oversight** assumes removing the sunset date for this check-off would not create a material fiscal impact (three year average of \$3,634) to the state and will not reflect it in the fiscal note.

Officials from the **Office of Administration - Facilities Management Design and Construction (OA)** assume this bill would reduce the number of members of the Children's Trust Fund Board from 21 to 17. This Board is housed within the Office of Administration. Reducing the number of board members would potentially save OA money in costs associated with Board member travel and meals.

Board travel and meals is estimated at \$125/Board member, and thus, a reduction in four Board members would probably save OA around \$500.

**Oversight** notes that the proposal would eliminate or reduce the size of several boards and commissions; therefore, Oversight will show "unknown" savings to various state agencies for reduced board and commission expenses.

Officials from the **Department of Natural Resources** assume this proposal will not result in a significant fiscal impact to their organization.

Officials from the **Department of Economic Development**, the **Department of Social Services**, the **Department of Revenue**, the **Office of the State Auditor**, the **Office of Administration (Division of Accounting)**, the **Department of Mental Health**, the **Department of Health and Senior Services**, the **Department of Insurance, Financial Institutions and Professional Registration**, the **Office of the State Treasurer** and the **Office of the Governor** each assume the proposal will have no fiscal impact on their respective organizations.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This act modifies provisions relating to a number of state administrative boards, commissions, and councils.

The act repeals the Missouri State Unemployment Council and requires the State Auditor to fulfill a duty of the Council regarding a study of the Missouri unemployment system. (Sections 29.415 and 288.475).

The expiration date for the Foster Care and Adoptive Parents Recruitment and Retention Fund and a tax refund checkoff to such fund are removed and the administration of the Fund is changed from the Foster Care and Adoptive Parents Recruitment and Retention Fund Board, which is repealed by the act, to the Missouri State Foster Care and Adoption Board. (Section 143.1015 and 453.600).

The composition of the Missouri Women's Council is modified. The Council is reduced from fifteen to thirteen members with nine, rather than eleven, members appointed by the Governor. Such members shall serve terms of four, rather than three, years and may be reappointed. The Council, rather than the Governor, shall annually elect a chair and vice-chair. (Section 186.007).

FISCAL DESCRIPTION (continued)

The Missouri Area Health Education Centers Council is repealed and the Director of the Department of Health and Senior Services shall assume all duties of the Council. (Section 191.980).

The State Board of Health and the State Board of Senior Services are consolidated into the newly created State Board of Health and Senior Services (Sections 91.640, 189.015 to 189.035, 191.400, 192.005 to 192.710, 192.2030, and 701.040).

The Unmarked Human Burial Consultation Committee is repealed and the Missouri Advisory Council on Historic Preservation shall assume all duties of the Committee. (Sections 194.400 to 194.409).

The Life Sciences Research Trust Fund and the Life Sciences Research Board, as well as all duties of the Board, are repealed. Sections of law enacted by SB 7 (1st ex. sess. 2011), which was ruled unconstitutional, are repealed. (Sections 196.1100-196.1127, 196.1130, and 348.265).

The State Board of Health and Senior Services, rather than the Life Sciences Research Board, shall be responsible for overseeing the umbilical cord blood bank grant program (Section 196.1129).

A subcommittee on the development of a comprehensive entry point system for long-term care within the MO HealthNet Oversight Committee is repealed. (Section 208.955). The Professional Services Payment Committee is also repealed. (Section 208.197).

The act reduces the membership of the Children's Trust Fund Board from twenty-one to seventeen members with eight, rather than twelve, public members appointed by the Governor. The representative categories of membership on the Board are modified. (Section 210.170).

The act codifies the creation of the Missouri Advisory Council on Historic Preservation, which was originally created by executive order. The Council shall have authority to review and approve nominations to the National Register, reviewing completed state historic preservation plans, and providing guidance to the state historic preservation officer. (Sections 253.408 and 253.412).

The duties of the Interior Design Council are transferred to the Division of Professional Registration. The Council's role shall be to advise, guide, and make recommendations to the Director of the Division. The Director of the Division, rather than the Governor, shall appoint members of the Council. (Sections 324.406 to 324.436).

FISCAL DESCRIPTION (continued)

The composition of the Missouri Film Commission is changed by removing the General Assembly members from the Commission. (Section 620.1200).

The Director of the Department of Mental Health, rather than the Governor, shall appoint certain members of the Missouri Commission on Autism Spectrum Disorders and such members may be reappointed. (Section 633.200).

The Missouri State Penitentiary Redevelopment Commission is repealed. (Sections 217.900 to 217.910).

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
