FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration (DIFP)** estimates 100 filings submitted to the department for review along with a \$50 filing fee. Additional revenues to the Insurance Dedicated Fund are estimated to be up to \$5,000.

Additional staff and expenses are not being requested with this single proposal, but if multiple proposals pass during the legislative session which require policy form reviews the department will need to request additional staff to handle increase in workload

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This proposal would specify that whether an ailment is considered an “emergency medical condition” depends on the person having sufficiently severe symptoms, regardless of what final diagnosis is given.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
