## FISCAL ANALYSIS

### ASSUMPTION

Officials at the **Office of the Secretary of State (SOS)** assumed each year, a number of joint resolutions that would refer to a vote of the people a constitutional amendment and bills that would refer to a vote of the people the statutory issue in the legislation may be considered by the General Assembly.

Unless a special election is called for the purpose, Joint Resolutions proposing a constitutional amendment are submitted to a vote of the people at the next general election. Article XII section 2(b) of the Missouri Constitution authorizes the governor to order a special election for constitutional amendments referred to the people. If a special election is called to submit a Joint Resolution to a vote of the people, §115.063.2, RSMo, requires the state to pay the costs. The cost of the special election has been estimated to be \$7.8 million based on the cost of the 2016 Presidential Preference Primary.

The SOS is required to pay for publishing in local newspapers the full text of each statewide ballot measure as directed by Article XII, Section 2(b) of the Missouri Constitution and Section 116.230-116.290, RSMo. Funding for this item is adjusted each year depending upon the election cycle. A new decision item is requested in odd numbered fiscal years and the amount requested is dependent upon the estimated number of ballot measures that will be approved by the General Assembly and the initiative petitions certified for the ballot. In FY 2014, the General Assembly changed the appropriation so that it was no longer an estimated appropriation.

In FY19, over \$5.8 million was spent to publish the full text of the measures for the August and November elections. The SOS estimates \$65,000 per page for the costs of publications based on the actual cost incurred for the one referendum that was on the August 2018 ballot.

The SOS will continue to assume, for the purposes of this fiscal note, that it should have the full appropriation authority it needs to meet the publishing requirements. Because these requirements are mandatory, we reserve the right to request funding to meet the cost of our publishing requirements if the Governor and the General Assembly again change the amount or continue to not designate it as an estimated appropriation.

**Oversight** has reflected in this fiscal note, the state potentially reimbursing local political subdivisions the cost of having this joint resolution voted on during a special election in fiscal year 2020. This reflects the decision made by the Joint Committee on Legislative Research, that the cost of the elections should be shown in the fiscal note. The next scheduled statewide primary election is in August 2020 and the next scheduled general election is in November 2020

ASSUMPTION (continued)

(FY 2021 for both). It is assumed the subject within this proposal could be on one of these ballots; however, it could also be on a special election called for by the Governor. Therefore, Oversight will reflect a potential election cost reimbursement to local political subdivisions in FY 2020.

In response to a previous version, officials from the **Office of the Governor** assumed Section A, Section 15, Article VII, Constitution of Missouri states that no person shall be elected governor more than twice, and that any person who has held the office of governor for more than two years of a term to which some other person was elected to such office shall not be elected more than once.

There should be no added cost to the Governor's Office as a result of this measure.

Officials from the **Attorney General's Office, Missouri Senate, State Auditor's Office, and Office of the State Treasurer** each assume the proposal will have no fiscal impact on their organization.

In response to a previous version, officials from the and **Missouri House of Representatives** assumed the proposal will have no fiscal impact on their respective organizations.

In previous response to similar legislation HJR 51 (4706-01) from 2018, officials from the **Missouri Lieutenant Governor** assumed the proposal will have no fiscal impact on their organization.

**Oversight** notes that the Missouri Senate, Office of the State Treasurer, State Auditor's Office, Office of the Governor, Missouri House of Representatives, Missouri Lieutenant Governor, and Attorney General's Office has stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note for these agencies.

Senate Amendment 1

**Oversight** assumes Senate Amendment 1 will have no fiscal impact on state or local governments.
