Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note for these agencies.

Oversight notes with changes to Section 287.615, this allows for administrative law judges (ALJ) current salaries to be adjusted subject to appropriation. This in turn, could result in an increased or decreased cost to the state. Oversight assumes that the current ALJ salaries will remain the same. Therefore, Oversight will reflect a zero impact on the fiscal note.
