## FISCAL ANALYSIS

### ASSUMPTION

Due to time constraints of less than 4 hours, **Oversight** was unable to receive some of the agency responses in a timely manner and performed limited analysis. Oversight has presented this fiscal note on the best current information that we have or on information regarding a similar bill(s). Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

In response to a previous version, officials from the **Department of Insurance, Financial Institutions and Professional Registration**, the **State Tax Commission** and the **Office of the State Courts Administrator** each assumed the proposal will have no fiscal impact on their respective organizations.

In response to a similar proposal from this year (HB 770), officials at **Greene County**, the **Monroe County Assessor** and the **Mississippi County Recorder of Deeds** each assumed no fiscal impact to their respective entities from this proposal.

**Oversight** notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note for these agencies.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other counties and recorder of deeds offices were requested to respond to this proposed legislation but did not. For a general listing of political subdivisions included in our database, please refer to [www.legislativeoversight.mo.gov](http://www.legislativeoversight.mo.gov).

FISCAL DESCRIPTION
