FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Elementary and Secondary Education** assume the proposal will result in no cost to their organization.

Officials from the **Francis Howell School District** assume this proposal would have a minimal positive fiscal impact for district, as we would have to publish bid notices less frequently.

Officials from the **Springfield Public Schools** assume a minimal unknown savings and no cost to the district.

Officials from the **Wellsville-Middletown R-1 School District** assume this proposal has the potential to have a positive fiscal impact on the district.

Officials from the **KIPP St. Louis Charter School** assume the proposal will have no fiscal impact on their organization.

Oversight assumes there could be a savings to school districts that are no longer required to advertise in the newspaper for certain projects. Oversight will show a fiscal impact of \$0 (no qualifying projects) to an unknown savings.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other school districts were requested to respond to this proposed legislation but did not. For a general listing of political subdivisions included in our database, please refer to www.legislativeoversight.mo.gov.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

Currently, any school district authorizing the construction of facilities that may cost more than \$15,000 shall advertise in a newspaper and comply with certain bidding requirements. This act increases that amount to \$50,000.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
