Officials from the **Office of the Governor** assume the Governor shall, by and with advice and consent of the senate, appoint nine members to the board of curators of the University of Missouri, one of which will be a student curator who shall have the right to vote on any matter before the board. The Student Curator is to be appointed in January 2020. There should be no added cost to the Governor's Office as a result of this measure.

Officials from the **Missouri Senate, Department of Higher Education** and the **University of Missouri System** each assume the proposal will have no fiscal impact on their organization.

Oversight notes that the responding agencies have stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.
