## **FISCAL ANALYSIS**

### **ASSUMPTION**

Officials from the **Office of the Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the Governor.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.

Officials at the **Department of Economic Development**, the **Department of Revenue**, the **Office of the State Courts Administrator**, the **Department of Corrections**, the **Department of Conservation**, the **Department of Insurance**, **Financial Institutions and Professional Registration**, the **Office of State Auditor**, the **State Tax Commission**, the **Department of Labor and Industrial Relations** and the **Missouri Department of Transportation** each assume no fiscal impact to their respective agencies from this proposal.

**Oversight** notes that the Department of Economic Development, the Department of Revenue, the Office of the State Courts Administrator, the Department of Corrections, the Department of Conservation, the Department of Insurance, Financial Institutions and Professional Registration, the Office of State Auditor, the State Tax Commission and the Missouri Department of Transportation each has stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials at **St. Louis County**, the **Monroe County Assessor's Office** and the **City of Kansas City** each assume no fiscal impact to their respective entities from this proposal.

Officials at the **Wellsville-Middletown R-1 School District** responded but did not provide a fiscal impact for this proposal.

ASSUMPTION (continued)

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other cities, counties and school districts were requested to respond to this proposed legislation but did not. For a general listing of political subdivisions included in our database, please refer to [www.legislativeoversight.mo.gov](http://www.legislativeoversight.mo.gov).

**Oversight** assumes §140.981.1 states that “A city may establish a land bank agency by ordinance, resolution, or rule, as applicable.” Until such action is taken by the governing body of the city, Oversight assumes no fiscal impact from this proposal.
