**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other 4<sup>th</sup> class cities, water districts and wastewater districts were requested to respond to this proposed legislation but did not. For a general listing of political subdivisions included in our database, please refer to [www.legislativeoversight.mo.gov](http://www.legislativeoversight.mo.gov).

**Oversight** assumes this proposal sets up provisions for the board of aldermen to seek an appraisal and/or analyses to inform voters of a proposed sale of a water, wastewater system or gas plant. While there may be some up front costs in preparing the information to the voters, Oversight assumes that these costs will be recouped in the sale of the system/plant. Therefore, Oversight will reflect a \$0 fiscal impact from this proposal.
