**FISCAL ANALYSIS**

**ASSUMPTION**

**§§208.226 - 208.227 - Antipsychotic medications; MO HealthNet treatments/providers**

Officials from the **Department of Mental Health** and the **Department of Social Services (DSS)** have each stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these organizations.

In response to a very similar proposal in 2019 (HB 867), **Oversight** contacted DSS officials for further clarification on their no impact response for this proposal. DSS officials stated MO HealthNet does not currently restrict any antipsychotic drugs and this proposal would place current practices into statute. Therefore, the provisions of this proposal will not have a fiscal impact on DSS or MO HealthNet.

<u>FISCAL IMPACT - State Government</u>	FY 2021 (10 Mo.)	FY 2022	FY 2023

<u>FISCAL IMPACT - Local Government</u>	FY 2021 (10 Mo.)	FY 2022	FY 2023

**FISCAL IMPACT - Small Business**

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
