## FISCAL ANALYSIS

### ASSUMPTION

Officials at the **Office of the State Courts Administrator** assume there may be some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

Officials at the **Office of the Secretary of State (SOS)** assume a number of joint resolutions that would refer to a vote of the people a constitutional amendment and bills that would refer to a vote of the people the statutory issue in the legislation may be considered by the General Assembly.

Unless a special election is called for the purpose, Joint Resolutions proposing a constitutional amendment are submitted to a vote of the people at the next general election. Article XII section 2(b) of the Missouri Constitution authorizes the governor to order a special election for constitutional amendments referred to the people. If a special election is called to submit a Joint Resolution to a vote of the people, section 115.063.2 RSMo requires the state to pay the costs. The cost of the special election has been estimated to be \$7.8 million based on the cost of the 2016 Presidential Preference Primary.

The SOS is required to pay for publishing in local newspapers the full text of each statewide ballot measure as directed by Article XII, Section 2(b) of the Missouri Constitution and Section 116.230-116.290, RSMo. Funding for this item is adjusted each year depending upon the election cycle. A new decision item is requested in odd numbered fiscal years and the amount requested is dependent upon the estimated number of ballot measures that will be approved by the General Assembly and the initiative petitions certified for the ballot. In FY 2014, the General Assembly changed the appropriation so that it was no longer an estimated appropriation.

In FY19, over \$5.8 million was spent to publish the full text of the measures for the August and November elections. The SOS estimates \$65,000 per page for the costs of publications based on the actual cost incurred for the one referendum that was on the August 2018 ballot.

The SOS will continue to assume, for the purposes of this fiscal note, that it should have the full appropriation authority it needs to meet the publishing requirements. Because these requirements are mandatory, we reserve the right to request funding to meet the cost of our publishing requirements if the Governor and the General Assembly again change the amount or continue to not designate it as an estimated appropriation.

ASSUMPTION (continued)

**Oversight** has reflected in this fiscal note, the state potentially reimbursing local political subdivisions the cost of having this joint resolution voted on during a special election in fiscal year 2021. This reflects the decision made by the Joint Committee on Legislative Research, that the cost of the elections should be shown in the fiscal note. The next scheduled statewide primary election is in August 2020 and the next scheduled general election is in November 2020 (FY 2021). It is assumed the subject within this proposal could be on one of these ballots; however, it could also be on a special election called for by the Governor (on a different date). Therefore, Oversight will reflect a potential election cost reimbursement to local political subdivisions in FY 2021.

Officials at the **Missouri Ethics Commission** assume no fiscal impact from this proposal.

St. Louis City and Jackson County did not respond to **Oversight's** request for fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

Currently, circuit and associate circuit judges within the city of St. Louis and Jackson County are selected through the nonpartisan court plan. Other judicial circuits may by a majority vote elect to have the circuit and associate circuit judges appointed through the nonpartisan court plan. This proposed constitutional amendment, if approved by the voters, would require the election of all circuit and associate circuit judges. Election for all judges would be in accordance with general laws governing elections. The circuit or associate circuit judges subject to the nonpartisan court plan at the time of the adoption of this amendment may continue to serve until the expiration of his or her term.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
