FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Public Safety's Division of Fire Safety** assume no fiscal impact from this proposal.

Officials at the **City of Kansas City**, the **City of Springfield**, the **St. Louis County Police Department** and the **Springfield Police Department** each assume no fiscal impact to their respective entities from this proposal.

In response to similar legislation from this year, HB 2266, officials at the **City of Brentwood** assumed no fiscal impact from this proposal.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other cities, counties, police and sheriff departments and fire protection districts were requested to respond to this proposed legislation, but did not. A general listing of political subdivisions included in our database is available upon request.

Oversight notes §§321.190 and 321.603 state that each member of the board may receive an attendance fee upon affirmative board approval and in an amount set by the board for attending each regularly called board meeting or special meeting. Oversight assumes the proposal is permissive and action would only be taken by the fire protection district if they have budgeted funds for this purpose. Therefore, Oversight will reflect a \$0 fiscal note assuming any additional costs involved would be absorbed by the fire protection district.
