## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of Attorney General (AGO)** assume any additional litigation costs arising from this proposal can be absorbed with existing personnel and resources. However, the AGO may seek additional appropriations if there is a significant increase in litigation.

**Oversight** does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

**Oversight** notes the **Department of Corrections (DOC)** has stated the proposal would not have a direct fiscal impact on their organization. The changes will result in longer prison sentences; however, due to limited available data, the DOC estimates no fiscal impact. In FY 2019, no one was charged under §578.423 and §578.425 for gang-related activities.

**Oversight** does not have any information contrary to that provided by DOC. Therefore, Oversight will reflect DOC's no impact for fiscal note purposes.

Officials from the **Missouri Office of Prosecution Services (MOPS)** assume the proposal will have no measurable fiscal impact on MOPS.

**Oversight** notes the **Department of Public Safety - Missouri State Highway Patrol**, the **Office of State Courts Administrator**, and the **State Public Defender's Office** have each stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, the City of St. Louis, St. Louis County, Jackson County, and county prosecutors and were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.
