ASSUMPTION (continued)

Revenue Impact

DOR this legislation will result in an increase in the \$15 specialty plate reservation fees collected. It is unknown how many applicants will elect to obtain an Association of Missouri Electric Cooperatives plate, but the increase should be minimal. Fifteen dollar specialty plate reservation fees are split 75-15-10 to Highways, Cities, and Counties.

Oversight assumes the increase in revenue will be minimal; therefore, Oversight will not reflect the increase on the fiscal note.

Oversight notes no special license plates for the Association of Missouri Electric Cooperatives have been issued as of February 6, 2019. The required \$5,000 fee and 200 applicants provision has not yet been met in order to issue the plates.

Officials from the **Department of Transportation (MoDOT)** assume the proposal will have no fiscal impact on their organization.

Oversight notes that MoDOT has stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note for MoDOT.
