FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator (OSCA)** state there may be some impact but there is no way to quantify that currently. The proposal could result in redundancies and inefficiencies in court operations that could result in additional costs. Any significant changes will be reflected in future budget requests.

Oversight will reflect a zero direct material fiscal impact in the fiscal note for OSCA.

Officials from the cities of **Bland, Claycomo, Kansas City, Kirbyville, O’Fallon, Southwest City, Springfield** and **Tipton** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation from this year (HB 807) officials from the **City of Corder** and **Boone County** each assumed the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other cities, counties and circuit clerks were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.
