**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Office of the Secretary of State, Platte County Board of Elections, and St. Louis County Board of Elections** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **Kansas City Election Board** assume the proposal will have no fiscal impact on their organization since these municipal elections are currently ran every two years. However, the filings for office moving from the secretary of the Board to the election authorities could cost up to \$5,000 per election year for overtime, temporary expense, and printing.

**Oversight** notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other 1<sup>st</sup> class county clerks were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.
