ASSUMPTION

Officials from the **Department of Elementary and Secondary Education** assume the proposal will have no fiscal impact on their organization.

In response to a similar proposal from this year (HB 228), officials from the **Fordland School District** also assumed the proposal will have no fiscal impact on their organization.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, many other school districts were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

Without additional responses, **Oversight** will make the assumption that this proposal will not have a direct fiscal impact on school districts.
