## **FISCAL ANALYSIS**

### **ASSUMPTION**

Officials from the **Office of the Secretary of State** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, **Oversight** will reflect a zero impact in the fiscal note.

In response to similar legislation, SB 266 from 2021, officials from the **Kansas City Election Board** assumed it would cost \$10,000 per election in temporary expense and \$5,000 in postage and printing if this legislation is passed for a normal sized jurisdiction-wide election.

**Oversight** notes that the Kansas City Election Board attempted to contact each person who submitted an improperly filled out absentee ballot in November. They tried to contact 980 absentee voters by phone or letter. They rectified 575, leaving 405 rejected. The Kansas City Election Board had 2 employees working on this project for the majority of the 6 week absentee period. Therefore, their calculation above was based on 2 bipartisan employees @ \$20.00 per hour (including employers' FICA) for 40 hours weeks times 6 weeks or \$9,600, plus estimating postage, printing, legal expense and staff overtime to be approximately \$5,000.

Officials from the **Platte County Board of Elections** and **St. Louis County Board of Elections** both assume the proposal will have no fiscal impact on their organizations.

**Oversight** notes there is a potential increase of cost to local election authorities for postage, printing, and staff time to monitor, retain, and rectify absentee ballot rejections. We are unable to determine how many individuals will cast an absentee ballot or how many absentee ballots will be rejected; therefore, **Oversight** will reflect a potential unknown cost to local election authorities.

#### FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

#### FISCAL DESCRIPTION

Under current law, if the statements on any absentee ballot envelope have not been completed, the ballot must be rejected. This act further stipulates that a ballot shall be rejected if the:

- Voter has failed to sign the oath;
- Signature on the envelope does not appear to be valid;
- Oath has failed to be verified;
- Absentee ballot has been rejected for any other reason provided by law; or
- Voter is otherwise found disqualified to vote.

If one of the foregoing has been found by the election authority then the ballot shall be rejected and the election authority shall write "REJECTED" on the face of the envelope and give the reason.

The election authority must promptly notify any voter if his or her absentee ballot has been rejected and the deadline and procedures for curing the defect for which the ballot was rejected.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
