FISCAL ANALYSIS

ASSUMPTION

Sections 345.015 to 345.085 – Audiology and Speech-Language Pathology Interstate Compact **Oversight** assumes proposal adopts the Audiology and Speech-Language Pathology Interstate Compact. The compact creates a joint public agency known as the Audiology and Speech-Language Pathology Compact Commission. The Department of Commerce and Insurance (DCI) has powers and duties as listed in the compact and shall enforce the provisions and rules of the compact. DCI shall provide for the development, maintenance, and utilization of a coordinated database and reporting system containing licensure, adverse action, and investigative information on all licensed individuals in member states.

Officials from the **Department of Commerce and Insurance (DCI)** state that it is uncertain if the compact (Sections 345.015 – 345.085) would be enacted in FY23, FY24 or FY25. Once the compact is enacted the Division would a fiscal impact of \$3,000 to \$6,000 estimated annual fees to participate in the compact.

Oversight assumes DCI is provided with core funding to handle a certain amount of activity each year. Oversight assumes DCI could absorb the stated anticipated costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, DCI could request funding through the appropriation process.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Senate Amendment 1

Oversight notes Senate Amendment 1 removes Section 334.036 from the bill and will have no fiscal impact on state or local government.

Senate Amendment 3 (as amended) – Section 340.201

Officials from the **Department of Commerce and Insurance** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

In response to a similar proposal from this year (SB 1058), officials from the **Department of Health and Senior Services** and the **Missouri Department of Conservation** each assumed the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation from this year, HB 1586, officials from the **Missouri Department of Agriculture** assumed the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to a similar proposal from this year (SB 1058), officials from the **City of Kansas City** and the **City of Springfield** each assumed the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation from this year, HB 1586, officials from the **City of O'Fallon** assumed the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

Senate Amendment 5 – Sections 334.100 & 338.055

Officials from the **Department of Commerce and Insurance** assumed the proposal will have no fiscal impact on their respective organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

Bill as a whole:

Officials from the **Department of Revenue**, the **Department of Public Safety (Fire Safety and the Directors Office)** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **Department of Health and Senior Services** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

Rule Promulgation

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

In response to a previous version, officials from the **Office of the Secretary of State (SOS)** noted many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many

such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.
