FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue (DOR)** assume the following regarding this proposal:

Administrative Impact

To implement the proposed change, the Department would be required to:

- Complete business requirements and design documents to modify the Missouri Electronic Driver License (MEDL) issuance system, MEDL central applications and supporting systems to remove the fee for a nondriver for homeless child, youth, or an intermediate for emancipated youths.
- Complete programming and user acceptance testing of the Missouri Electronic Driver License (MEDL) issuance system;
- OA-ITSD Test the file generation and secure transfer process to ensure all required data elements and signature are sent as required;
- Obtain format and procedure approvals from Secretary of State and others as applicable;
- Update policies, procedures, and the Uniform License Issuance Manual (ULIM);
- Update forms, manuals, and the Department website;
- Complete training as required.

FY 2023 – Driver License Bureau

Research/Data Assistant 360hrs. @ \$16.30 per hr. =\$5,868
Research/Data Analyst 400hrs. @ \$24.29 per hr. =\$9,716
Administrative Manager 80 hrs. @ \$26.37 per hr. =\$2,110
Total \$17,694

FY 2023 – Personnel Services Bureau

Associate Research/Data Analyst 20 hrs. @ \$19.47 per hr. =\$389
Associate Research/Data Analyst 10 hrs. @ \$19.47 per hr. =\$195
Total \$584

Total Costs \$18,278

Oversight assumes DOR will use existing staff and will not hire additional FTE to conduct these activities; therefore, Oversight will not reflect the administrative costs DOR has indicated on the fiscal note.

DOR notes OA-ITSD services will be required at a cost of **\$55,610** in FY 2023 (585.37 hours x \$95 per hour).

Oversight does not have any information to the contrary in regards to DOR's assumptions; therefore, Oversight will reflect DOR's OA-ITSD costs on the fiscal note.

Revenue Impact

DOR notes during FY 2021 there were a total of 98,691 new non-driver licenses issued. DOR does not have statistics to determine of this count how many potential annual applicants may be eligible for a fee waiver under the proposed provisions, therefore the total impact to State and Local Revenue is unknown.

For each fee waiver eligible non-driver license issued pursuant to this proposed language in §302.181 there would be a loss to General Revenue of: \$6.00

During FY 2021 there were a total of 53,296 intermediate driver licenses issued. DOR does not have statistics to determine of this count how many may potential applicants may be eligible for a fee waiver under the proposed provisions, therefore the total impact to State and Local Revenue is unknown.

For each fee waiver eligible intermediate driver license issued pursuant to this proposed language in §302.178 there would be a loss of fees distributed to the Highway Fund and Local Funds for cities and counties as follows

Hwy Fund Loss (75%) = \$3.75
Cities Fund Loss (15%) = \$0.75
Counties Fund Loss (10%) = \$0.50

For each issued document, DOR would be required to pay fees to the card vendor for printing and postage costs of \$2.44112 per card.

Oversight notes, according to the National Conference of State Legislatures (NCSL), as of January 2019, 6,179 individuals of all ages were homeless in Missouri. Of these, 1,359 were under the age of 18. Among the homeless youth and young adults, 477 were unaccompanied by an adult.

If all 1,359 of these homeless youth applied for a non-driver license or intermediate driver license, the loss would amount to approximately \$8,154 (\$1,359 x \$6). Oversight assumes there will be a minimal loss of revenue from this proposal; therefore, Oversight will not reflect a fiscal impact to the Highway Fund or local political subdivisions.

Officials from the **Missouri Highway Patrol, Department of Social Services and Department of Elementary and Secondary Education** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **Missouri Highway Patrol and Missouri Department of Transportation** defer to the DOR for the potential fiscal impact of this proposal.
