FISCAL ANALYSIS

ASSUMPTION

§§191.1720 - "Missouri Save Adolescents from Experimentation (SAFE) Act" and gender transition procedures

In response to a similar proposal from the 2022 session (HB 2649), officials from the **Office of Attorney General (AGO)** assumed any additional litigation costs arising from this proposal can be absorbed with existing personnel and resources. However, the AGO may seek additional appropriations if there is a significant increase in litigation.

Oversight does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Office of Administration - Administrative Hearing Commission**, the **Department of Commerce and Insurance**, the **Department of Elementary and Secondary Education**, the **Department of Public Safety - Missouri Highway Patrol**, the **Department of Social Services**, the **Missouri Department of Conservation**, the **Missouri Department of Transportation**, the **Missouri Consolidated Health Care Plan** and the **Office of the State Courts Administrator** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.
