*Officials from the Office of the State Public Defender (SPD) assume having a dedicated fund for donations (instead of to the General Revenue Fund) will allow them to solicit and collect donations and/or grants. Oversight assumes since a minimal amount of donations have historically been made to the General Revenue Fund for the SPD, this proposal will have no direct fiscal impact on the General Revenue Fund.

Numbers within parentheses: () indicate costs or losses.

FISCAL ANALYSIS

ASSUMPTION

§600.042 – Public Defender funding

Officials from the **Office of the State Public Defender (SPD)** state the proposed legislation amending Section 600.042 would allow SPD to receive gifts and grants in a specified public defender fund up to the currently authorized amount of \$1,250,000. It is unknown how much will be received within a fiscal year.

SPD knows of no donations that have been made to General Revenue (GR) under the current statute. SPD has solicited grants from Americorp Vista for in-kind donations and would like to solicit grants from the DOJ if the Quality Defense Act is passed. That legislation authorizes substantial grants for public defender organizations that have completed workload studies and are working to establish appropriate workloads. SPD would also investigate other grant funding available. The fiscal impact on General Revenue would be minimal, as no funds have been deposited in GR as a result of the current statute.

Oversight assumes since no donations have been received by General Revenue through this statute, changing the designation to the new Public Defender – Federal and Other Fund would not create a material direct fiscal impact to the state.

Officials from the **Office of Administration - Budget and Planning** assume the proposal will have no fiscal impact on their organization.

In response to similar legislation from 2022 (HB 2370), officials from the **Office of the State Treasurer** assumed the proposal will have no fiscal impact on their organization.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

Under current law, any funds available from government grants, private gifts, donations, bequests, or other sources made to the Office of the Public Defender are deposited in the General Revenue fund of the state.

This act creates the "Public Defender - Federal and Other Fund" in the state treasury and provides that funding from any government grants, private gifts, donations, bequests, or other sources shall be deposited into such fund.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
