FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Economic Development** and the **Office of the Governor** each assume the proposal will have no fiscal impact on their respective organizations. Officials from the **Missouri House of Representatives** assume no fiscal impact – the House will absorb any reasonable expenses of our members serving on the Commission.

Officials from the **Missouri Senate (SEN)** state they anticipate a negative fiscal impact to the Senate contingent appropriation to reimburse 2 Senators for travel and per diem to attend meetings of the Missouri Housing Development Commission. In summary, it will cost approximately \$381.60 per meeting. The SEN assumes no fiscal responsibility for the other committee members.

Oversight assumes adding four members (two from the House of Representatives and two from the Senate) to the Missouri Housing Development Commission would not create a material fiscal impact. Therefore, Oversight will not reflect a fiscal impact from this change.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.
