FISCAL ANALYSIS

ASSUMPTION

§571.107 – CCW permit holder not authorized to carry in public libraries

Officials from the **Department of Public Safety - Missouri Highway Patrol**, the **Kansas City Police Department**, the **St. Joseph Police Department**, the **St. Louis County Police Department**, and the **Phelps County Sheriff's Department** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

Oversight notes, according to subsection 571.107.2 that a violation of this new location (any public library) would not be a criminal act, but the offender may be subject to denial to the premises or removal from the premises. If the person refuses to leave the premises and a peace officer is summoned, such person may be issued a citation for an amount not to exceed \$100 for the first offense.

Oversight will assume the proposal will not have a material fiscal impact.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other local law enforcement were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

<u>FISCAL IMPACT – State Government</u>	FY 2024 (10 Mo.)	FY 2025	FY 2026

<u>FISCAL IMPACT – Local Government</u>	FY 2024 (10 Mo.)	FY 2025	FY 2026

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

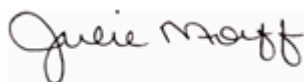

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
