**FISCAL ANALYSIS****ASSUMPTION**

Officials from the **Missouri House of Representatives (MHR)** assume no fiscal impact. The MHR assumes the joint contingent appropriation, managed by the Senate, will still absorb any reasonable expenses of the House members serving on the committee.

Officials from the **Missouri Senate (SEN)** state they anticipate a negative fiscal impact to the joint contingent appropriation to reimburse the 13 committee members for travel to meetings of the Joint Committee on Disaster Preparedness and Awareness. The SEN assumes a cost of approximately \$1,870 per meeting.

Officials from the **Department of Public Safety – Office of the Director, Missouri National Guard, State Emergency Management Agency, and the Missouri Department of Agriculture** each assume the proposal will not fiscally impact their respective agencies.

**Oversight** notes the authorization for this committee expired on December 31, 2022, and this proposal would make the committee permanent. Oversight assumes the continued cost of reimbursement of committee members for actual and necessary expenses would not create a material fiscal impact to the state's joint contingent fund.

<u>FISCAL IMPACT – State Government</u>	FY 2024 (10 Mo.)	FY 2025	FY 2026

<u>FISCAL IMPACT – Local Government</u>	FY 2024 (10 Mo.)	FY 2025	FY 2026

**FISCAL IMPACT – Small Business**
