FISCAL ANALYSIS

ASSUMPTION

Oversight assumes this legislation enacts the Counseling Interstate Compact.

Officials from the **Department of Commerce and Insurance (DCI)** state it is uncertain if the compact would be enacted in FY24, FY25 or FY26. Once the compact is enacted the Division would have the following fiscal impact: \$3,000 to \$6,000 estimated annual fees to participate in the compact.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect the estimated fiscal impact as a range of \$0 (the compact is not enacted) to \$3,000 - \$6,000 (the compact is enacted) to the Committee of Professional Counselors Fund (0672).

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

In response to a previous version, officials from the **Office of the Secretary of State (SOS)** noted many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.
