FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Commerce and Insurance**, the **Department of Economic Development**, the **Department of Elementary and Secondary Education**, the **Department of Higher Education and Workforce Development**, the **Department of Mental Health**, the **Department of Natural Resources**, the **Department of Corrections**, the **Department of Labor and Industrial Relations**, the **Department of Revenue**, the **Department of Public Safety** (Office of the Director, Capitol Police, Alcohol & Tobacco Control, Fire Safety, Gaming Commission, Missouri Highway Patrol, Missouri National Guard, State Emergency Management Agency and Veterans Commission), the **Office of the Governor**, the **Joint Committee on Administrative Rules**, the **Joint Committee on Public Employee Retirement**, the **Missouri Lottery Commission**, the **Missouri Consolidated Health Care Plan**, the **Department of Agriculture**, the **Missouri Department of Conservation**, the **Missouri Ethics Commission**, the **Missouri House of Representatives**, the **Department of Transportation**, the **Office of Prosecution Services**, the **Office of Administration** (Administrative Hearing Commission and Budget and Planning), the **Office of the State Courts Administrator**, the **Office of the State Auditor**, the **Missouri Senate**, the **Office of the Secretary of State**, the **Office of the State Public Defender** and the **State Tax Commission** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials from the **Department of Health and Senior Services (DHSS)** assume Section 610.026.2 allows a request for public fees to be considered withdrawn if the requester fails to remit all fees within thirty days of a request for payment of the fees by the public governmental body prior to making the copies. This change can be incorporated into current ebb and flow of the records request process. DHSS anticipates being able to absorb these costs. However, until the FY24 budget is final, the Department cannot identify specific funding sources.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

Officials from the **Kansas City** and the **City of Springfield** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other cities and counties were requested to respond to this proposed legislation but did

not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

FISCAL DESCRIPTION
