**FISCAL ANALYSIS**

**ASSUMPTION**

**§§590.033, 590.040, and 590.080 – Peace officer standards**

Officials from the **Department of Public Safety - (Office of the Director, and Missouri Highway Patrol)**, the **Attorney General’s Office**, the **Department of Mental Health**, the **Department of Natural Resources**, the **Department of Labor and Industrial Relations**, the **Department of Social Services**, the **Office of Administration**, the **Branson Police Department**, the **St. Louis County Police Department**, and the **Phelps County Sheriff’s Department** assume the proposal will have no fiscal impact on their respective organizations.

In response to a previous version (SB 38), officials from the **Missouri Department of Conservation**, the **Kansas City Police Department**, and the **St. Joseph Police Department** each assumed the proposal will have no fiscal impact on their respective organizations.

**Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

Officials from the **Oronogo Police Department** indicate this proposal would have a fiscal impact on their organization. However, **Oversight** notes they provided no information explaining the potential fiscal impact this proposal would have on their organization. Therefore, for fiscal note purposes, Oversight assumes any fiscal impact incurred by this police department would be absorbable within current funding levels.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other local law enforcement were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the MOLIS database is available upon request.
