## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of Administration (OA)** stated the resolution creates the Missouri USA Semiquincentennial Commission with support to be provided by the OA. While it is not clear what level of support this Commission would actually require, OA assumes that at least 1 new FTE would be needed to be dedicated to providing support to this commission. OA provided a salary of \$65,000 and total costs of approximately \$115,000 per year for the FTE.

**Oversight** assumes the FTE for OA will start in July 2024 (FY 2025) and will not reflect a cost in FY 2024.

**Oversight** also notes according to SAMII, the Missouri Bicentennial Celebration had expenditures of \$350,000 in FY 2020, FY 2021 and again in FY 2022. The expenditures for that celebration were from Fund 0274 – the Division of Tourism Supplemental Revenue Fund. Oversight will reflect the FTE from OA as well as an unknown amount of other expenditures in FYs 2025 and 2026 from the General Revenue Fund. Oversight assumes the cost of the commission, including OA FTE and celebration expenses could exceed the \$250,000 threshold for those two years.

Officials from the **Office of the Governor** state this bill adds to the Governor’s current load of appointment duties. Individually, additional requirements should not fiscally impact the Office of the Governor. However, the cumulative impact of additional appointment duties across all enacted legislation may require additional resources for the Office of the Governor.

Officials from the **Missouri House of Representatives** assume the proposal would not create a fiscal impact. The legislation states that the expenses will be reimbursed by the joint contingent appropriation. They defer to the Senate on the impact this legislation will have on the availability of that appropriation.

Officials from the **Missouri Senate** state they anticipate a negative fiscal impact to the joint contingent appropriation to reimburse 4 members for travel to the America 250 Commission meetings. In summary, it will cost approximately \$575.30 per meeting for the four members. The Senate assumes no fiscal responsibility for the other commissioners.

**Oversight** assumes reimbursement of the 13 members’ actual and necessary expenses would be reflected in the unknown other expenses incurred by the commission.

Officials from the Office of the Lieutenant Governor did not respond to our request for fiscal impact.
