FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Natural Resources (DNR)** assume the proposal will have no fiscal impact on their organization. DNR states the changes in statute are being proposed to clean up resource recovery references in which the corresponding regulations have been removed since 2017. The changes should have no impact on fees and/or revenue.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.
