**FISCAL ANALYSIS**

**ASSUMPTION**

**§407.932 – Tobacco products**

Officials from the **Department of Revenue (DOR)** state under this act, no political subdivision shall enact a law regulating the sale of tobacco products, alternative nicotine products, and vapor products under the provisions of Sections 407.924 to 407.934. Additionally, this proposal makes clear that the sale or transfer of a tobacco license or permit to a new owner upon the sale of a retail establishment cannot be prohibited by a local political subdivision. DOR assumes this will not have a fiscal impact on the Department.

Officials from the **Office of Administration - Budget and Planning (B&P)** state this proposal has no direct impact on B&P or on general and total state revenues. B&P states it will not impact the calculation pursuant to Article X, Section 18(e).

Officials from the **Department of Public Safety - Division of Alcohol and Tobacco Control** and the **City of O’Fallon** assume the proposal will have no fiscal impact on their organizations.

Officials from the **City of Kansas City** assume the proposal will have no fiscal impact on their organization but Kansas City would no longer be able to regulate tobacco products, alternative nicotine products, and vapor products.

**Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other cities and counties were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
