**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Department of Public Safety’s Fire Safety Division** and the **St. Louis County Board of Elections** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the City of Crestwood did not respond to **Oversight’s** request for fiscal impact for this proposal.

**Oversight** assumes this proposal, beginning January 1, 2024, allows the City of Crestwood to provide fire protection services to an annexed area and will not have to pay a fire protection district unless the city and the district enter into a mutually agreed contract. Oversight assumes both the city and district would work together to provide services for the mutual benefit of the community and will reflect no fiscal impact for this proposal.
