**FISCAL ANALYSIS**

**ASSUMPTION**

**§407.932 – Tobacco Products**

Officials from the **Department of Revenue (DOR)** state no political subdivision shall enact a law regulating the sale of tobacco products, alternative nicotine products, and vapor products under the provisions of Sections 407.924 to 407.934. Additionally, this proposal makes clear that the sale or transfer of a tobacco license or permit to a new owner upon the sale of a retail establishment cannot be prohibited by a local political subdivision. DOR assumes this will not have a fiscal impact on the DOR.

Officials from the **Department of Public Safety - Division of Alcohol and Tobacco Control**, the **Office of Administration - Budget and Planning** and the **City of O’Fallon** each assume the proposal will have no fiscal impact on their organizations.

Officials from the **City of Kansas City** assume the proposal will have no fiscal impact on their organization but Kansas City would no longer be able to regulate tobacco products, alternative nicotine products, and vapor products.

**Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other cities and counties were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

<u>FISCAL IMPACT – State Government</u>	FY 2025 (10 Mo.)	FY 2026	FY 2027

<u>FISCAL IMPACT – Local Government</u>	FY 2025 (10 Mo.)	FY 2026	FY 2027
	<b><u>\$0</u></b>	<b><u>\$0</u></b>	<b><u>\$0</u></b>

FISCAL IMPACT – Small Business

Certain small businesses that sell tobacco and/or alternative nicotine products could be impacted by this proposal.

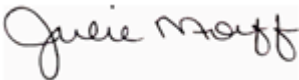

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
