FISCAL ANALYSIS

ASSUMPTION

§§190.839, 198.439, 208.437, 208.480, 338.550, and 633.401 - Provider reimbursement allowance taxes

Officials from the **Department of Social Services (DSS)** state the passage of the proposed legislation would not fiscally impact DSS for §§190.839, 198.439, 208.437, 208.480, 338.550 and 633.401. However, if the proposed legislation does not pass, additional funding will be needed to maintain the current level of services. The numbers provided are based on an annual total for each program.

§190.839 - Ambulance Provider Tax: The proposed legislation allows the MO HealthNet Division (MHD) to collect approximately \$7.98 million in Ambulance Tax annually which will allow MHD to draw in federal funds of approximately \$18.7 million each year. The FY25 budget submitted by the DSS assumes the ambulance tax would continue through fiscal year 2025 and beyond. If this proposed legislation does not pass, additional General Revenue (GR) funds of \$7.98 million per year would be needed to continue the current level of services.

§198.439 - Nursing Facility Reimbursement Allowance Tax: **DSS** states the proposed legislation allows the MHD to collect \$168.2 million annually in Nursing Facility Tax which will allow MHD to draw in federal funds of \$326.7 million each year. The FY25 budget submitted by the DSS, and all future budgets that will be submitted, assumes the nursing facility tax would continue through fiscal year 2025 and beyond. If this proposed legislation does not pass, additional GR funds of \$168.2 million per year would be needed to continue the current level of services.

§208.437 - Medicaid Managed Care Provider Tax: The MHD is not currently collecting the Managed Care Provider Tax. The federal sunset for the managed care organization reimbursement allowance was September 30, 2009. This section of the proposed legislation will not have an impact on MO HealthNet.

As the MHD is not currently collecting the Managed Care Provider Tax, **Oversight** is not including this tax in the fiscal note tables.

§208.480 - Hospital Federal Reimbursement Allowance: **DSS** states the proposed legislation allows the MHD to collect approximately \$1.22 billion in Hospital Tax which will allow MHD to draw in federal funds of approximately \$2.37 billion each year. The FY25 budget submitted by the DSS, and all future budgets that will be submitted, assumes the hospital tax would continue through fiscal year 2025 and beyond. If this proposed legislation does not pass, additional GR funds of \$1.22 billion would be needed per year to continue the current level of services.

§338.550 - Pharmacy Provider Tax: The proposed legislation allows the MHD to collect \$46.5 million in pharmacy tax which will allow MHD to draw in federal funds of \$90.5 million each year. The FY25 budget submitted by the DSS, and all future budgets that will be submitted, assumes the pharmacy tax would continue through fiscal year 2025 and beyond. If this proposed legislation does not pass, additional GR funds of \$46.5 million per year would be needed to continue the current level of services.

§633.401 - Intermediate Care Facility for the Intellectually Disabled Provider Tax (ICF/ID): DSS states the proposed legislation allows the MHD to collect approximately \$5.88 million in intermediate care facilities for the intellectually disabled tax which will allow MHD to draw in federal funds of \$4.5 million. The FY25 budget submitted by the Department of Mental Health, and all future budgets that will be submitted, assumes the ICF/ID tax would continue through fiscal year 2025 and beyond. If this proposed legislation does not pass, additional General Revenue funds of \$5.88 million per year would be needed to continue the current level of services.

Oversight notes the ICF/ID provider tax name has been changed from the ICF/Mentally Retarded (MR) provider tax. As of FY 2020, the fund name appears on the State Treasurer's Fund Balance Report as the ICF/ID Reimbursement Allowance Fund.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect the provider taxes needed to draw down federal matching funds as provided by DSS for fiscal note purposes.

Officials from the **Department of Mental Health (DMH)** state this legislation eliminates the end date on certain healthcare provider reimbursement allowances. DMH assumes no fiscal impact with the elimination of an end date. Should provider reimbursement allowances end, DMH would have a fiscal impact of approximately \$5 million GR.

Oversight notes the DSS is the designated state agency that works with the federal government on Medicaid programs. Therefore, Oversight will use the DSS provider tax numbers for the ICF/ID and hospital provider tax programs.

DSS states that failure to pass an extension on the FRA could cost the state approximately \$1.5 billion in FY25.

Oversight notes, with the exception of certain state-owned facilities, all ambulance districts, nursing facilities, hospitals, pharmacies and ICF/IDs are required to pay provider taxes for the privilege of operating/providing services in the state of Missouri.

For fiscal note purposes, **Oversight** is presenting the provider taxes collected under each of the reimbursement allowance tax categories. However, Oversight assumes expenses equal to the amount of provider taxes collected would be spent on services and the net effect would be \$0.

Responses regarding the proposed legislation as a whole

Officials from the **Department of Commerce and Insurance**, the **Department of Public Safety - Missouri Veterans Commission** and the **Office of Administration, Division of Budget & Planning (B&P)** each assumed the proposal would have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other hospitals, ambulance districts and nursing homes were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

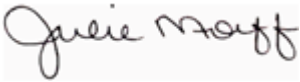

FISCAL DESCRIPTION

This act removes the expiration date for the Ground Ambulance, Nursing Facility, Medicaid Managed Care Organization, Hospital, Pharmacy, and Intermediate Care Facility for the Intellectually Disabled federal reimbursement allowances. (§§190.839; 198.439; 208.437; 208.480; 338.550 and 633.401).

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
