**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Office of the Secretary of State (SOS)** and the **Department of Corrections** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **Jackson County Board of Elections, Platte County Board of Elections, St. Louis City Board of Elections,** and **St. Louis County Board of Elections** each assume the proposal will have no fiscal impact on their respective organizations.

**Oversight** notes that as of December 2023, there were 53,303 offenders under probation and parole supervision according to information provided from DOC. Therefore, there could be an increase in voter registrations. Oversight notes that the Office of the Secretary of State and Department of Corrections have each stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary and assumes SOS and local election authorities will absorb additional duties, if any related to increase voter registrations. Therefore, Oversight will reflect a zero impact on the fiscal note.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other local election authorities and county clerks were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
